

# The Pinnacle of Vital Records Software

## APEX MODERNIZES VITALS RECORDING

In an age of ever-changing technology, APEX provides your office with the tools it needs to evolve and adapt.

Revolutionize how you handle the vitals application process and recording with the new digital methods that APEX offers.

### INTEGRATED

Focus more time on other work with reduced counter time courtesy of APEX's tablet kiosk and touch screen integrations.

### PAPERLESS

Reduce the paperwork required for many aspects of the vitals recording process with the help of APEX's paperless workflow

### ACCESSIBLE

Give your constituents the power to begin their filing process from anywhere, on any device, with APEX's improved accessibility.
